  - Tank Waste
- 4:00 pm Next Steps (1hr.)**
- DOE Perspective:
    - How can the Board help DOE through the process to get to the August 1 final document?
    - What Board products does DOE need?
    - Will informal products (e.g., meeting summaries) suffice for Board input during the iterative process?
  - Regulator Perspective:
    - What role do they see the Board playing in the process?
  - Board Perspective:
    - Given the time frame and current board/committee meeting schedule and work plans, how does the Board fit itself into the iterative process?
    - What additional agency support does the Board need?
  - Commitments for Action
- 5:00 pm ADJOURN**
